MACHINE PLANTING AGREEMENT

Fall River Conservation District

Machine planting costs will be \$.25 per foot this will include tree stock and labor to plant trees. A \$1.00 per mile will be assessed from the tree shed to planting site. A deposit of 50% of the estimated total cost of your tree planting and fabric installation is required before stock will be ordered. The remaining bill will be paid in full within 30 days after planting is completed. After that date, a finance charge of 1.5% per month will be added to the remaining balance of the bill.

If the landowner is on a program with FSA or NRCS and has payment assignments 100% down on estimated planting feet will be required or payment arrangements must be approved by the board of Supervisors prior to planting.

Prior to the planting, landowner will till ground well for planting. You will need to supply tractor with a 3-pt. hitch, driver for tractor, and 1 or 2 people to heel in the trees

Orders may be cancelled prior to February 1, 2010 and a refund received. Any cancellations after February 1, 2010 will result in loss of nursery stock and forfeiture of deposit.
