<b>Subtotal</b>			
<b>Tax</b>	6.2%		
<b>Total</b>			

**\*\*Orders after December 1, 2023 will be taken with No Guarantee of availability.\*\***

### Do You Need Replacements?

Now is a good time to take a look at your trees and get your order in. If you are having problems with a particular species, give me a call and we can visit about if a different species will work in your planting.

### Noxious Weeds

Every year the conservation district receives phone calls of producers/landowners who are not controlling their noxious weeds. Please be aware that noxious weeds need to be controlled in tree and grass plantings. There is a big difference between land that needs some spot spraying and areas that are neglected because you think it's "good habitat".

### SERVICE AVAILABLE

#### District Machine Planted Trees:

**Shrubs**           \$.55/ft   *subject to change*  
**Trees**           \$.55/ft   *subject to change*  
**Fabric Install** \$.80/ft   *subject to change*

#### McCook County Rentals:

13' Great Plains Drill and 26'GP drill  
\$14/ acre (\$200 min.)

Land Roller \$3.50/acre.

Roller Crimper \$5.00/acre (\$200 min.)

We also have Seed available for CRP, native grasses and Forage also custom varieties.

### Site Preparations/Renovations

A well-prepared site will ensure greatest survivability of your trees and is easier on equipment. The district has the right to refuse to plant your site and down-payment will be forfeited if it is not adequately prepared. Each situation will be considered on a case-by-case basis. Having a well-prepared site and keeping the trees free of weeds will cut down on your replant costs. The district reserves the right to charge more for poorly prepared sites, and renovations at the discretion of the District Manager. *If any doubt, just call Stephanie and she can take a look.*

### Cost Share

Limited cost share is available for shelterbelts through Conservation District partners. We have programs with cost share availability as well.

### Order Due December 1, 2023

McCook County Conservation District  
PO Box 121 • Salem, SD 57058
