

# Share What You're Seeing

Your input helps shape what our district works on. Thanks for being here.

## 1. About You

What best describes you?

- |   |   |
|---|---|
| <input type="checkbox"/> Farmer / Rancher               | <input type="checkbox"/> Landowner              |
| <input type="checkbox"/> Local Resident                 | <input type="checkbox"/> Business Owner         |
| <input type="checkbox"/> Student                        | <input type="checkbox"/> Partner / Organization |
| <input type="checkbox"/> Tribal Member / Representative | <input type="checkbox"/> Other: _____           |

County:

Approximate area / location (optional):

---

## 2. What Are You Seeing?

Is this good news or a concern?

- Good news — something's working     Something's off — worth flagging     Not sure

What are you noticing on the land around you?

*A creek running cleaner, grass coming in strong — or new weeds, blowing dust, something that just seems off.*

---

---

---

## 3. What Would Help?

What topics or concerns would you most like your conservation district to focus on?

- |   |   |
|---|---|
| <input type="checkbox"/> Wind / water erosion control | <input type="checkbox"/> Water quality              |
| <input type="checkbox"/> Grassland / rangeland health | <input type="checkbox"/> Soil health / cover crops  |
| <input type="checkbox"/> Wetlands                     | <input type="checkbox"/> Wildlife habitat           |
| <input type="checkbox"/> Invasive weeds or species    | <input type="checkbox"/> Tree / windbreak condition |
| <input type="checkbox"/> Other: _____                 |   |

Anything else you'd like us to know, focus on, or look into locally?

---

---

---

**What's gotten in the way of addressing concerns on your land? (check all that apply)**

- Cost
- Lack of equipment or resources
- Time
- Not sure where to start
- Hard to find the right help
- Other: \_\_\_\_\_

#### 4. Follow Up

- I'd like my district to follow up with me about this.
- I'm interested in being more involved with the conservation district.
